

Valid from the 24th June 2021 and supersedes all other provisions, warranties, terms and conditions

This Agreement is made on the date specified on the Rental Agreement between Travellers Autobarn and the Hirer whose name and address appears on the Rental Agreement. Travellers Autobarn and the Hirer agree as follows:

You are obliged to read this document thoroughly and ask for clarification of any points you do not understand.

### 1 Definitions

“**Agreement**” means the Rental Agreement and these Terms and Conditions. “**Consumer**” means a consumer within the meaning of section 2 of the Consumer Guarantees Act 1993. “**Hirer**” means the person or persons nominated as the hirer, all authorised drivers and any person whose credit card is presented for payment or who is otherwise responsible for any payment associated with the rental and/or the security bond. “**Travellers Autobarn**” means Travellers Autobarn Limited. “**Vehicle**” means the vehicle identified in the Rental Agreement as well as any replacement vehicle and includes all equipment, accessories, tyres, tools or any additional hire items. “**We**” means Travellers Autobarn and “**our**” has a corresponding meaning. “**You**” means the Hirer under this Agreement and “**your**” has a corresponding meaning.

### 2 Vehicle Condition, Pick-up and Drop-off

**2.1** The Vehicle is delivered to you in good operating condition. Subject to your rights under this Agreement, you agree to return the Vehicle in the same condition (except for ordinary wear and tear, not including windscreen or tyre damage) together with all tools, tyres, accessories and equipment to the location specified on the Rental Agreement and on the date there specified (or sooner, if demanded by Travellers Autobarn).

**2.2** Any existing Vehicle damage will be marked on the Condition Report completed at the time you hire the Vehicle

**2.3** Vehicle pick-ups are available anytime between 9:00 am and 4:00 pm Monday to Friday, and between 9:00 am and 12:00 pm on Saturdays. Vehicle drop offs must be before 3:00 pm Monday to Friday and before 12:30 pm Saturday. No pick-ups or drop offs are provided on Sundays and public holidays.

**2.4** Please note that our branches are subject to shortened low season opening hours. These hours are 9:00 am to 4:00 pm weekdays and closed Saturday and Sunday. Low season is from 1st June to 31st August

**2.5** There is no monetary refund for late pick up or early return of a Vehicle. Hirers are charged for the length of time booked, not the actual time used. We strongly recommend that all Hirers take out their own premium travel insurance in respect of the risk that a Hirer, for reasons of their own, may need to return a Vehicle earlier than expected. A credit voucher for the unused days in excess of 14 days may be issued if a request for an early return credit voucher has been approved by Travellers Autobarn in writing prior to returning the vehicle. The value is calculated using the daily rate only. The Hirer may also incur further applicable fees resulting from the change of date/location. The new daily rate will be recalculated based on the new drop-off date, the adjusted daily rate may be Higher than the originally booked daily rate. No credit is provided for optional extras or damage liability (Midway Protection or Protection Plus). A \$100 admin fee applies. The credit voucher can be applied to any new reservations made directly with Travellers Autobarn by the original Hirer, and subject to normal terms and conditions.

**2.6** A 59-minute grace period after the return time stated on the Rental Agreement applies to all rentals, should the Vehicle not be returned within the grace period a \$250 fee applies. Vehicles overdue may also incur an additional \$250 fee per day and be reported to the police as stolen.

**2.7** Travellers Autobarn may take possession of the Vehicle without prior demand and at your expense if it is illegally parked, used in violation of any applicable law, any term of this Agreement is breached or if the Vehicle is apparently abandoned

### 3 Change of Drop off Location

**3.1** Any change of return location can only be authorised by Travellers Autobarn Central Reservations and depends solely on future bookings and availability. The change of drop off location is not confirmed as approved until after the change of location fee has been accepted, paid, and you have received written confirmation. Please note; a casual conversation with a Travellers Autobarn staff member does not constitute authorisation. An approved change of location may attract a fee to a maximum of \$500. Please communicate all change of Drop off location requests by calling Central Reservations on the **FREECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line** at the earliest possible opportunity as all requests are subject to availability.

**3.2** Any unauthorised change/s of location drop off will see the Hirer responsible for the entire cost of relocating the Vehicle to its intended location plus any hire fees that are foregone by Travellers Autobarn by reason of the Vehicle being unavailable for subsequent hire at the agreed drop off location.

### 4 Rental Duration, Kilometres and One Way Fees

**4.1** For all Vehicles, day one of the rental period is the day of pick up, regardless of the time, and the day the Vehicle is returned is counted as the final day also regardless of the time.

**4.2** The minimum rental period is 5 days for all Vehicles (same city return). One way rentals have different minimum rental periods between 10 and 35 days.

**4.3** A one way fee may apply; this fee may vary according to location, seasonality and length of booking.

**4.4** All Vehicles have unlimited kilometres included in the price.

**4.5** Rates are in New Zealand Dollars and are inclusive of GST.

### 5 Multiple Rentals

Consecutive rentals can be combined to qualify for a long term discount rate provided travel is within a three month period. If drop off of a Vehicle and pick up of a new Vehicle occurs on the same day then each will be charged separately per respective rental. Multiple rentals are treated as separate rentals under the one way fee and minimum rental period conditions.

### 6 Rental Extensions and Amendments

**6.1** If you, the Hirer, wish to extend the rental whilst the Vehicle is on hire, you must first obtain written authorisation from Travellers Autobarn's Central Reservations. A casual conversation on the topic with a Travellers Autobarn staff branch member does not constitute authorisation. Your requested extension is not authorised until it is expressly approved and confirmed in writing, and you have nominated a specific date and the extension has been paid in full. Calling a day or two before you are due to drop off and requesting an extension may result in your request being rejected owing to future bookings of your Vehicle. Please communicate all extension requests by calling Central Reservations on the **FREECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line** at the earliest possible opportunity as all requests are subject to availability.

**6.2** No refunds will be given for any booking amendments to the rental dates within 28 days of collection (if the length of hire is shortened) and the rental will be charged at the number of days originally booked. A relocation fee may apply if the collection or return location is amended within 28 days of Vehicle pick up.

Due to exchange rate fluctuations there could be some variance in the amounts charged or refunded compared to the amount initially charged. You irrevocably agree to release Travellers Autobarn from any liability for such variation.

**20.5** Travellers Autobarn is entitled to retain the Hirer's credit card details in accordance with the Payment Card Industry - Data Security Standard and take any action necessary to recover from the Hirer's credit card all amounts due by the Hirer pursuant to this Agreement, including any amounts due in respect of damage to the Vehicle or property of a third party and all additional charges as set out in this Agreement.

**21.5** The Hirer remains liable for the payment of the original fine or toll.

## 22 Road Restrictions and Island Trips

**22.1** Vehicles may only be driven on sealed roads/bitumen roads or well-maintained access roads less than 500 metres long to recognised campgrounds and parking areas. Travel on unsealed roads voids any liability reduction options under clause 27 of this Agreement and renders the Hirer liable in accordance with clause 28 of this Agreement for the total cost of any Damage that is caused or contributed to by reason of travelling, or having travelled, on unsealed roads.

**22.2** Travellers Autobarn reserves the right at its sole discretion to restrict Vehicle movements in certain areas due to adverse road or weather conditions.

**22.3** All Travellers Autobarn Vehicles are **not permitted** on Ninety Mile Beach (Northland), Skippers Road (Queenstown), Crown Range Road (Queenstown), Ball Hut Road (Mt Cook) or the Coromandel Peninsula North of Colville Township. Vehicles are also not permitted on all ski field access roads between 1st June and 31st October. (Unauthorised travel voids any liability reduction options under clause 27 of this Agreement and renders the Hirer liable in accordance with clause 28 of this Agreement. The Hirer will also be responsible for all costs associated with the rental, including servicing, breakdown and recovery as well as loss of security bond).

**22.4** If Travellers Autobarn has reason to believe that your Vehicle may have been driven on unsealed roads the security bond will be retained until a complete inspection of the Vehicle determines whether any damage has occurred. The Hirer will be liable for any damage found. If it is determined that the Vehicle has been off-road but no damage is evident you will still be charged \$250 for breach of duty.

**23.5 WEEKEND & PUBLIC HOLIDAY LIMITED SERVICE** - The Travellers Autobarn CUSTOMER ASSISTANCE TELEPHONE LINE is offered as a courtesy to Hirers who may find themselves in desperate need of our support. On weekends, most support services such as mechanical garages, etc are closed and therefore limited help is available, in any case.

**23.6 Please restrict weekend calls to the CUSTOMER ASSISTANCE LINE to EMERGENCY CALLS ONLY.**

**23.7** If your call relates to administration, extensions, accounts enquiries or minor mechanical issues please call Monday to Friday 09:00 to 17:00.

**23.8 Travellers Autobarn does not offer a 24/7 customer assistance line.**

## 24 Repairs and Mechanical Breakdowns

**24.1** Travellers Autobarn Vehicles are maintained and serviced to a high standard, however this does not prevent the occasional mechanical malfunction. Minor repairs of a mechanical nature costing less than \$100 may be affected without our authorisation and will be reimbursed upon completion of the rental if tax invoices are produced.

**24.2** If you experience any problems, even minor, you must ring FREECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line for further assistance and advice. For amounts over \$100, Travellers Autobarn must be informed and our approval must be sought and obtained before undertaking repairs. We will usually approve repairs provided the Hirer was not directly responsible for the damage, but reserve the right to approve or decline repairs on a case by case basis. Tax invoices must be submitted or the claim will not be paid.

**24.3** Subject to rights and obligations under Consumer Law, if the Vehicle is not able to be driven as a result of the defect or breakdown, Travellers Autobarn's liability is limited to refunding You the hire fees (excluding any liability option reduction amount) for the time that the Vehicle was actually in repair or providing a replacement vehicle subject to availability. Travellers Autobarn may grant an extension to the rental period in lieu of providing a refund. Travellers Autobarn will not be responsible for the costs of alternative accommodation, travel costs (including travelling to the location named by Travellers Autobarn to collect any replacement vehicle), or food or any other cost or expense resulting from the breakdown, accident or repair of the Vehicle.

**24.4** You acknowledge that if you do have an issue with your vehicle, that when (Friday afternoons to Monday mornings & Public Holidays) and where (middle of nowhere?) you might have an issue are complicating factors that you have considered prior to choosing to rent a motor vehicle and you accept any delays caused that may arise from the lack of available parts or services and release Travellers Autobarn from any claims that may arise due to the timing or location of the issue. It is for this reason we urge all hirers to be aware of what day of the week it is and be alert to any issues that may arise and have any issues looked at before the issue of timing and location becoming complicating factors.

**24.5** Our responsibility to provide a rental extension or refund of hire fees is conditional on any problems associated with the Vehicle, including equipment failure, being reported to Travellers Autobarn as soon as possible and within 24hrs in order to give Travellers Autobarn the opportunity to rectify the problem.

**24.6** Malfunctions of stereo systems, cabin lights, air-conditioning, fridges, microwaves, sink water pumps etc., are not considered mechanical breakdowns and downtime will not be paid.

## **25 Fuel, Fluids and Tyres**

**24.1** For your convenience the fuel tank is full on pick up and should be returned full by the Hirer. The charge for re-filling is \$2.50 per litre plus \$50. This covers the additional labour time taken to refill the Vehicle. Fuel receipts must be produced on return of the Vehicle to show that you have refilled the Vehicle within 10KMs of return location.

### **25.2 IMPORTANT – OIL & WATER LEVELS**

The Hirer is responsible to check, at least daily, and to maintain all fluid levels and immediately to rectify and report to Travellers Autobarn by calling the **FRECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line** any defect of which you become aware, however slight. Topping up a Vehicle that is losing cooling liquid somehow is not rectifying the problem. Rectification means a fit and proper diagnosis and repair. Travellers Autobarn cannot stress enough your responsibility in this regard. Continued operation of the Vehicle after a defect has occurred may lead to serious consequential damage to the engine and renders the Hirer liable in accordance with clause 28 of this Agreement and will void any liability reduction options under clause 27.

**\*\*\*\*\*If you are adding more than ½ litre of water to your car every day YOU HAVE A PROBLEM AND NEED TO CALL US IMMEDIATELY (Immediately= NOW, not 2 days time) \*\*\*\*\***

### **25.3 IMPORTANT – TYRES**

The Hirer is responsible to check, at least daily the condition of the Vehicles tyres including but not limited to tread depth, uneven wear and any visible damage, and must immediately report to Travellers Autobarn by calling the **FRECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line** any defect of which you become aware of. Travellers Autobarn cannot stress enough your responsibility in this regard. Continued operation of the Vehicle after a defect has occurred may lead to serious injury or consequential damage to the Vehicle and renders the Hirer liable in accordance with clause 28 of this Agreement and will void any liability reduction options under clause 27.

### **25.4 IMPORTANT – AVOIDANCE of OVERHEATING**

We cannot stress enough the risks of continued driving if your car begins to overheat, or if it has a known cooling system problem of any kind. If your temperature gauge moves in a direction that is a departure from normal, stop immediately, investigate and call Travellers Autobarn on the **FRECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line**. Do NOT wait for it to cool and drive again as you may cause further catastrophic damage to your engine, for which you WILL be liable. Driving with an inoperative or malfunctioning temperature gauge may lead to consequential damage to the Vehicle and renders the Hirer liable in accordance with clause 28 of this Agreement and will void any liability reduction options under clause 27.

### **25.5 IMPORTANT – WATER CROSSING & CHARGES**

Do not drive across flooded roadways. Any damage caused as a result of driving or immersing the Vehicle in water renders the Hirer liable in accordance with clause 28 of this Agreement and will void any liability reduction options under clause 27.

## **26 Accidents, Personal Injury, Property Damage and Insurance Cover**

**26.1** In the event of an accident You must:

- 26.1.1** Record the location, date and time of the accident;
- 26.1.2** Record the names, addresses and vehicle registrations of third parties and any witnesses;
- 26.1.3** Record the name of the other party's insurance company;
- 26.1.4** Not accept blame or liability or insist the other party is at fault;
- 26.1.5** Report the accident to the police within 24 hours of the accident; and
- 26.1.6** Notify Travellers Autobarn within 24 hours of the accident.
- 26.1.7** Complete the Travellers Autobarn Accident Form

**26.2** Everyone in New Zealand, including visitors, have 24-hour, seven-day-a-week, no-fault covers for the costs of medical services required to treat any injury caused by an accident under New Zealand's Accident Compensation scheme (ACC). The cost of the scheme is covered by a levy included in the vehicle licencing. For complete details please contact The Accident Compensation Corporation (NZ) [www.acc.co.nz](http://www.acc.co.nz). This includes everyone, including 3rd parties in an accident. The ACC will cover costs of treatment and rehabilitation while in NZ: it is not a replacement for Travel Insurance and does not cover illness, disrupted travel plans or emergency travel to get you back home. We strongly recommend customers arrange travel insurance before visiting New Zealand.

**26.3** Subject to the terms of this Agreement, Travellers Autobarn will grant to You the benefit of Travellers Autobarn's insurance with its insurer for loss or damage to the Vehicle (including legal costs incurred with our consent) and any Third Party damage except any property owned by you (or any friend, relative, associate or passenger) or in your physical or legal control.

**26.4** You shall not receive the benefit referred to in 26.3 above where:

- 26.4.1** You have not paid the applicable security bond or liability reduction option amount stated on the Rental Agreement.
- 26.4.2** You have breached or caused any other person to have breached any term of this Agreement including the special conditions of the Rental Agreement.
- 26.4.3** You are not covered under any other policy of insurance.
- 26.4.4** You have provided such information and assistance as may be requested and, if necessary, authorising Travellers Autobarn's insurer to bring, defend or settle (at its sole discretion) legal proceedings but Travellers Autobarn shall have sole conduct of the proceedings.
- 26.4.5** If cover is extended to you by Our insurer:
  - 26.4.5.1.** You authorise Our insurer to commence, defend or settle, at its sole discretion, any legal proceedings;
  - 26.4.5.2.** Our insurer will have sole conduct of any proceedings; and
  - 26.4.5.3.** Any such proceedings shall be brought or defended in Your name.

**26.5** A VALID VISA OR MASTERCARD CREDIT CARD IS REQUIRED FOR THE SECURITY BOND. If you do not have a valid Visa Card or Mastercard please contact us so that we can email you a credit card authorisation form which allows you to use the credit card of a family member/guarantor.

**26.6** A security bond is required upon pick-up of the Vehicle. The amount of the security bond is determined by the applicable liability reduction option you have chosen. Payment of the security bond is only accepted by a signed credit card preauthorisation (sufficient funds must be available). The amount of the security bond will not be debited from your account at this time.

**26.7** In the event of an accident the Hirer is responsible up to the amount of the applicable security bond for loss and damage to third party property and to the Vehicle except where any term of this Agreement has been breached and renders the Hirer liable in accordance with clause 28 of this Agreement and will void any liability reduction options under clause 27 of this Agreement. The Hirer is also responsible for a \$190 administration fee and the cost of demurrage for the period the Vehicle is unavailable due to repairs. The security bond is payable regardless of who is at fault and must be paid at the time the accident is reported to Travellers Autobarn, not at the completion of the rental period.

**26.8** It is one security bond per accident/damage and not per rental, therefore once you report the accident to Travellers Autobarn, another security bond will need to be preauthorised, otherwise you cannot continue with the rental.

**26.9** In the event of an accident where the Vehicle is no longer operational, it will be at the discretion of Travellers Autobarn whether any alternative Vehicle will be supplied.

**26.10** In the event of an accident, where the Vehicle is no longer operational and no alternative Vehicle is available to the Hirer, our liability is limited to a refund of the remaining unused hire charges.

**26.11** If there is damage to the Vehicle on its return, the security bond will be used to cover the cost of such damage up to the amount of the Hirer's liability. If the damage is a consequence of a breach of any term of this Agreement and the security bond is insufficient to cover the damage, then any extra cost will be charged to the Hirer.

**26.12** In the event of a no-fault accident, Travellers Autobarn will make every attempt to recover costs from the Third Party and refund to the Hirer. Any costs recovered from the party at fault less a minimum \$190 administration fee.

**26.13** The Hirer acknowledges that third party claims in relation to accidents can take many months, sometimes years to be settled.

**26.14** Accidents and any other damage must be reported to the FREECALL (from landlines only) 0800 348 348 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line within 24 hours of the occurrence.

**27 Security Bond and Liability Reduction Options**

### 31 Relocation Conditions

A 'relocation' is a necessary vehicle movement between branches to satisfy the needs of full fee-paying reservations. Travellers Autobarn will offer a 'relocation' Vehicle at a heavily discounted rate, but will do so over the strictest of short periods such as to cover the transport needs of the Vehicle movement. Should you wish to travel for longer periods or desire more freedom with your Vehicle, we highly recommend you inquire about Travellers Autobarn's very competitive rental rates.

**31.1** The rental of relocation Vehicles is subject to the standard Terms & Conditions of Travellers Autobarn.

**31.2** Relocations must be delivered in the set days we outline and may be offered from as little as \$1.00 per day.

**31.3** Relocations can only be collected after 1PM on the day of pick-up. No relocations are available for Saturdays.

**31.4** A security bond of \$3000 applies to each relocation, which will be preauthorised to your credit card at the time you hire the Vehicle - there are no further liability reduction options available to reduce the amount of your security bond for relocations.

**31.5** A minimum \$200 cancellation fee applies for any confirmed relocation bookings which are cancelled or if the Vehicle is not collected on the date agreed.

**31.6** Any late deliveries will incur penalties of \$500 per day. There is a reason for the relocation. Usually it is being moved to fulfill a full fare paying reservation.

**31.7** Any request to extend relocations will be considered subject to availability, and if approved will be charged at the standard daily rental rate from day one. Minimum rental periods may also apply.
